DR. GENE BLOCK • CHANCELLOR • STANFORD, 1970 • FIRST YEAR

Dr. Gene Block became chancellor of UCLA in summer 2007, taking the helm of a world-class institution comprising 37,000 students and 27,000 faculty and staff, with an annual budget of \$3.6 billion. As chief executive officer, he oversees all aspects of the university's three-part mission of education, research and service.

Previously, Dr. Block served as vice president and provost of the University of Virginia, where he also held the Alumni Council Thomas Jefferson Professorship in Biology. With academic expertise in biological clocks, he conducts research on the neurobiology of circadian rhythms in higher organisms, leading a research lab funded by the National Institutes of Health (NIH).

From 1991 to 2002, he directed the National Science Foundation's Science and Technology Center for Biological Timing. In 1997, he was named a fellow of the American Association for the Advancement of Science. He has invented a number of devices and holds a patent for a non-contact respiratory monitor for the prevention of Sudden Infant Death Syndrome.

Chancellor Block joined the faculty of the University of Virginia in 1978 as an assistant professor of biology. He served as vice provost for research from 1993 to 1998 and then as vice president for research and public service until his appointment as vice president and provost in 2001. Dr. Block also headed an NIH graduate training program aimed at increasing the number of scientists from underrepresented groups. In 1998, he received the Commonwealth of Virginia's Outstanding Public Service Award for his work with Virginia's business community.

The native of Monticello, NY holds a bachelor's degree in psychology from Stanford University and a master's and Ph.D. in psychology from the University of Oregon. He also completed a postdoctoral fellowship at Stanford, working with the late Colin Pittendrigh, "the father of biological timing" and distinguished biologist and former Stanford President, Donald Kennedy. Dr. Block and his wife Carol have two adult children.

DAN GUERRERO • ATHLETIC DIRECTOR • UCLA, 1974 • SIXTH YEAR

In just five years as UCLA's Director of Athletics, Daniel G. Guerrero has boldly placed his imprint on the school's athletic program. Guerrero, one of the most respected and talented administrators in intercollegiate athletics, has rapidly placed his mark on the program as the director of athletics at UCLA. He is currently serving as the chair of the NCAA's Division I Men's Basketball Academic Enhancement Group. He is also a member of the NCAA Division I Men's Basketball Committee. In June, he was selected 2007 NACDA Division I West Region Athletic Director of the Year.

In his first five years, Guerrero has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 University in the nation for NCAA Team Championships (100) won, a number that continues to grow under his direction. UCLA teams have won 14 NCAA national championships (the highest total in the nation in that span), finished second 12 times and have had an additional 17 Top Five finishes. A staggering 94 teams (of 115 possible) have qualified for NCAA post-season competition and the football team has appeared in five bowl games. The program has also won 32 conference championships in 14 different sports, produced 286 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

This past year, UCLA won an NCAA championship in women's water polo, the school's 100th NCAA team title, and placed second in men's soccer and women's tennis, third in women's golf, tied for third in men's basketball, women's soccer and women's volleyball, fourth in women's gymnastics, fifth in women's outdoor track and field, tied for fifth in men's tennis, seventh in men's golf and women's indoor track and field, ninth in men's outdoor track and field, tied for ninth in baseball and 15th in women's swimming. UCLA played in its fifth straight bowl game in football, placed 14th in the NCAA in women's rowing's varsity eight and won four league titles.

Guerrero, 55, came to UCLA in 2002 from UC Irvine, where he had served as UCI's fifth Director of Athletics for 10 years. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years.

Born on November 10, 1951 in Tucson, AZ, he is married to the former Anne Marie Aniello and they have two daughters: Jenna and Katie.

PETRINA LONG • SENIOR ASSOCIATE A.D./SWA • CALIFORNIA, 1977 • FOURTH YEAR

Petrina Long enters her fourth year as senior associate athletic director/senior women's administrator at UCLA, having joined the staff in June of 2004. Long has oversight responsibility for several sports, including women's basketball, men's and women's volleyball, softball and women's gymnastics, as well as several administrative areas, among them academic services, compliance, equity issues, and governmental relations.

Long came to UCLA from UC Irvine, where she served as senior associate athletic director/senior women's administrator since 1993, working closely with Bruin athletic director Dan Guerrero. She also served as interim athletic director following Guerrero's departure to UCLA.

In addition to her UCLA commitments, Long is also extensively involved in a number of areas relating to intercollegiate athletics. She currently holds a chair on the NCAA Academics and Eligibility Cabinet (AEC) Subcommittee on Recruiting, and serves on the NCAA Men's Volleyball Committee. On the conference level, Long is as an administrative liaison to several sports, including women's volleyball, cross-country, track & field, and men's soccer (MPSF). She is also a past chair of the Senior Women's Administrative Committee (SWAC).

During her 11 years at UCI, Long supervised several of the university's 23 sports teams, as well as academic and student support, compliance and sports medicine. In addition, she was active in numerous groups on campus and in the community. Her campus activities included serving on the Chancellor's Advisory Committee on Intercollegiate Athletics (CACIA), and recently chairing the Diversity Development Program Board for two years. She was a board member of the Irvine Chamber of Commerce for several years and has been a school volunteer in the city of Tustin. Long was a member of the Big West Council and previously chaired the Big West Compliance Committee for two years. She also served on the Executive Committee of both the Big West Conference and the Mountain Pacific Sports Federation. Prior to her tenure at UCI, Long spent nine years at Columbia University, serving in both the associate and assistant athletic director positions. She was the Assistant Athletic Director for Academic Affairs at Southern Methodist University from 1982-84 and was an advisor for student-athletes at the University of California from 1979-82.

Long received her B.A. degree in Anthropology from the University of California, Berkeley, in 1977 and her Master's degree in Anthropology from Columbia in 1992. She and her husband, Sam McCamey, have a daughter, Samantha, and two sons, Monte and Traland.
